AIR UNIVERSITY • KARACHI CAMPUS • PAKISTAN

VIDEO PRODUCTION SCRIPT — STUDENT SHORT-FORM REEL

FACULTY FILES — SIR UNA KAUN HAI?

Rapid-cut faculty interview reel • 90 seconds • Instagram Reel / YouTube Short

LOGLINE: *Three professors. Three departments. One question every prospective student wants answered — sir, aap kaun hain, aur hamara future kahan le jaate hain?*

1. Production Specifications

Title: Faculty Files: Sir Una Kaun Hai?
Format: Short-form vertical video (9:16 native, 16:9 master) — screenplay
Duration: 90 seconds (1:30)
Audience: Prospective students — F.Sc. / A-Level leavers considering AU Karachi programs
Tone: Energetic, youthful, fast-cut interview montage with Gen-Z edit rhythm
Language: Roman Urdu + English mix (faculty dialogue) ; English VO narration bridge
Deliverable: 1× master MP4 (H.264, 4K UHD), 1× 9:16 vertical cut for Reels/TikTok
Aspect Ratio: 9:16 (primary) / 16:9 (secondary)
Frame Rate: 25 fps (PAL)
Music: Upbeat corporate-lofi bed, 100 BPM, with percussive edit points every 2 beats
CTA: Meet your future mentors — Apply at au.edu.pk / Karachi Campus

2. Cast & Talent

HOST (V.O.)

Role: Off-screen narrator. Connects interview cuts with quick bridges.

Description: Young faculty media cell voice. Crisp, friendly, bilingual. Heard but never seen.

Wardrobe: —

DR. SANA REHMAN — HoD Computer Science

Role: On-camera interview #1. Mid-30s, CS HoD.

Description: Warm, articulate, sharp. Speaks in quick confident sentences. Loves AI education.

Wardrobe: Charcoal blazer, navy silk scarf, white shirt, minimal jewelry, glasses.

PROF. IMRAN SHAUKAT — Faculty of Engineering

Role: On-camera interview #2. Late-40s, Electrical Engineering.

Description: Veteran, calm, fatherly. Was a PAF engineering officer before academia. Speaks deliberately.

Wardrobe: Navy V-neck sweater over light-blue shirt, gray trousers, polished brown shoes, PAF ring on left hand.

MS. HIRA KAMRAN — Lecturer, Management Sciences

Role: On-camera interview #3. Late-20s, junior faculty, Management Sciences.

Description: Energetic, modern, mentor-style. Connects easily with Gen-Z students. Popular among seniors.

Wardrobe: Olive wrap dress, tan block heels, smartwatch, hair in a low bun, no dupatta.

3. Locations & Set Notes

INT. LIBRARY — SILENT STUDY POD (Faculty Interview Station)

Description: Glass-walled study pod on library ground floor. Refurbished as interview set for the day. Daylight from east windows behind subject (rim light). Black backdrop behind camera.

Shooting Window: 09:30–11:30 (post-opening, low occupancy)

Permissions: Chief Librarian + departmental HoD written consent.

INT. BLOCK A — ENGINEERING LAB

Description: Electrical engineering lab benches. Oscilloscopes, circuit boards, soldering stations. Industrial / technical backdrop for Prof. Shaukat's interview.

Shooting Window: 12:00–13:30 (between lab sessions)

Permissions: Engineering Department + lab technician consent.

INT. LECTURE HALL — BLOCK D

Description: Empty Management Sciences lecture theatre post-class. Tiered seats, whiteboard, projector.Backdrop for Ms. Hira's interview, seated on the front desk edge.

Shooting Window: 14:00–14:45 (post lunch session)

Permissions: Management Sciences HoD + Block D coordinator consent.

4. Props, Wardrobe & Equipment

Wardrobe & Styling

- Charcoal blazer + navy silk scarf for Dr. Sana
- Navy V-neck sweater + light-blue shirt for Prof. Shaukat
- Olive wrap dress for Ms. Hira
- PAF ring on Prof. Shaukat's left hand (close-up insert)
- Smartwatch on Ms. Hira (lifestyle cue)
- Glasses for Dr. Sana (anti-glare coating — critical for camera)

Set Dressing & Hand Props

- Black fabric backdrop (2m × 3m) for library interview station
- Library reading table + 2 chairs (pod setting)
- Drone shot of oscilloscope screen (lab) — pre-loaded waveform, admin-approved
- Open laptop showing the AU CS dept homepage on Dr. Sana's desk (insert)
- Whiteboard with management diagram (already in lecture hall) — for Ms. Hira's background
- Lavalier mic transmitter clipped to each faculty's lapel (invisible on camera)
- Faculty name slate cards (3) — printed: NAME / DEPARTMENT / AIR UNIVERSITY KARACHI

Camera & Grip

- Primary: Sony FX30 APS-C cinema camera (4K 25p)
- Lens A: Sigma 30mm f/1.4 DC DN (interview close-up, shallow DOF)
- Lens B: Sigma 16mm f/2.8 DC DN (wider interview + insert shots)
- Tripod: Manfrotto 504X head with fluid drag
- Slider: 60 cm motorized for subtle push-in on each interview
- Handheld gimbal: DJI RS3 Mini for tracking inserts (lab, library)
- iPhone 15 Pro for 9:16 vertical coverage (Cinematic mode) — second angle

Audio & Lighting

- Wireless lavalier kit: 3× Rode Wireless GO II (one per faculty, color-coded)
- Shotgun mic: Rode NTG5 on boom for ambient + room tone
- Zoom H5 recorder for backup audio track
- Key light: Aputure 120D II with 90cm softbox, camera-left, 45° up
- Fill: 1.2m 5-in-1 reflector silver side, camera-right
- Rim: Aputure MC panel lights (RGB, daylight) behind subject for separation
- Library practical (table lamp) for warm accent

5. Detailed Shot List

All shots 4K UHD 3840×2160, 16:9 frame, color graded to warm institutional palette (navy + amber). Total runtime target shown in specs.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
2.1	0:00–0:04 (4s)	INT. Library Pod — Interview Station	Static medium close-up, locked tripod	30mm f/1.4	Soft key + reflector fill + practical lamp accent	VO cold open; music bed builds	Locked MCU of Dr. Sana seated at the library reading table. Black backdrop behind her. Soft rim light. She is mid-thought, looking off-camera at interviewer. Holds the look for 3 seconds, then turns to camera.
2.2	0:04–0:06 (2s)	Title Card Insert	Static graphic card	—	—	Music pulse; percussive hit	Quick title card: FACULTY FILES — Episode 01. Navy background, amber rule, AU logo top-left. Holds 2 sec, whip-pan transition out.
2.3	0:06–0:10 (4s)	INT. Library Pod	Static MCU, locked tripod	30mm f/1.4	Same as 2.1	Dr. Sana on-camera; VO bridge under	Dr. Sana directly to camera. Open, friendly. Speaks in Roman Urdu + English mix. Name slate burns in lower-third: DR. SANA REHMAN / HoD, COMPUTER SCIENCE.
2.4	0:10–0:13 (3s)	INT. Library — Tracking Insert	Handheld gimbal tracking, slow	16mm f/2.8	East window daylight + bounce fill	VO bridge; library ambient hum	Tracking insert through the library reading hall — books, students, screens, daylight. VO bridges to next faculty. Cut on music beat.
2.5	0:13–0:17 (4s)	INT. Block A — Engineering Lab	Static MCU, locked tripod	30mm f/1.4	Cool overhead fluorescent balanced + rim from window	Prof. Shaukat on-camera; VO bridge under	Locked MCU of Prof. Shaukat seated at a lab bench. Oscilloscope glowing behind him. He speaks deliberately. Name slate: PROF. IMRAN SHAUKAT / FACULTY OF ENGINEERING.
2.6	0:17–0:19 (2s)	INT. Lab — Insert	Tight macro insert, static	30mm f/1.4 (macro via tubes)	Practical oscilloscope glow	Music pulse; SFX scope beep	Insert: Prof. Shaukat's left hand on the bench — PAF ring catches the lab light. Symbolic. Cut on beat.
2.7	0:19–0:22 (3s)	INT. Library Pod — Back to Sana	Static MCU, locked tripod	30mm f/1.4	Same as 2.1	Dr. Sana punchline on-camera	Quick cut back to Dr. Sana — single line, punchy. She smiles at camera. Cuts to her second key point with energy.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
2.8	0:22–0:26 (4s)	INT. Lab — Prof. Shaukat 2nd beat	Static MCU, locked tripod	30mm f/1.4	Same as 2.5	Prof. Shaukat advice line on-camera	Cut back to Prof. Shaukat — single line of advice for incoming students. Calm, fatherly. Eye contact with lens.
2.9	0:26–0:30 (4s)	INT. Lecture Hall Block D	Static MCU, locked tripod	30mm f/1.4	Window key from camera-right + bounce fill	Ms. Hira on-camera; music bed steady	Locked MCU of Ms. Hira seated on the lecture hall front desk edge, legs crossed. Whiteboard with management diagram in soft background. She speaks, energetic. Name slate: MS. HIRA KAMRAN / LECTURER, MANAGEMENT SCIENCES.
2.10	0:30–0:34 (4s)	INT. Library Pod — Sana 3rd beat	Slider slow push-in	30mm f/1.4	Same as 2.1	Dr. Sana future-pivot line on-camera	Subtle slider push-in (30cm in 4s) on Dr. Sana as she pivots to her final point. Camera creeps toward her as she delivers the future-of-AI line. Tension builds.
2.11	0:34–0:38 (4s)	INT. Lab — Shaukat 3rd beat	Slider slow push-in	30mm f/1.4	Same as 2.5	Prof. Shaukat final advice on-camera	Same slider move on Prof. Shaukat. He delivers his final advice. The push-in tightens framing from MCU to CU as he lands the line.
2.12	0:38–0:42 (4s)	INT. Lecture Hall — Hira 3rd beat	Slider slow push-in	30mm f/1.4	Same as 2.9	Ms. Hira final beat on-camera	Same slider move on Ms. Hira. She leans forward, energetic. Lands her final mentor line. Direct to lens.
2.13	0:42–0:50 (8s)	Montage — Rapid cuts	Whip-pan transitions, avg 1.3s per shot	Mixed (30mm + 16mm)	Mixed (3 locations)	Music peaks; VO CTA over beat	Rapid montage of best bites from all three faculty — 6 quick cuts on every music beat. Each cut is a single-word or short-phrase soundbite. Whip-pan transitions between each location. Builds pace and energy toward end-card.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
2.14	0:50–1:00 (10s)	INT. Library Pod — Triptych	Static MCU, locked tripod	30mm f/1.4	Mixed (each faculty's setup)	Music holds; faculty on-camera final	Triptych-style finale: three rapid back-to-back cuts (Sana → Shaukat → Hira), each delivering their one-line answer to "Why AU Karachi?". 3.3s per cut. Total 10s.
2.15	1:00–1:15 (15s)	End Card + B-Roll Reel	Static graphic + montage cuts	Mixed	Mixed	Music outro; VO CTA final	End-card animation: AU Karachi logo top, "MEET YOUR FUTURE MENTORS — ADMISSIONS OPEN" middle, au.edu.pk URL + QR code bottom. Cross-fades to a 8-second B-roll reel of faculty close-ups looping for IG auto-repeat.

6. Full Screenplay

FADE IN:

MUSIC IN: upbeat corporate-lofi bed, 100 BPM, percussive edit points every 2 beats.

INT. CENTRAL LIBRARY — SILENT STUDY POD — MORNING

DR. SANA REHMAN (mid-30s, charcoal blazer, navy scarf, glasses) sits at a library reading table in a glass-walled pod. East-window daylight glances off her face. Black backdrop behind camera. She looks off-frame at the interviewer for one beat, then turns to camera.

HOST (V.O.)
Air University Karachi — what makes it different? It's the people who teach you. So we asked three of them the only question that matters:

PERCUSSIVE HIT — title card burns in: FACULTY FILES — Episode 01.

INT. CENTRAL LIBRARY — POD — CONTINUOUS

DR. SANA REHMAN
Main Dr. Sana Rehman, Head of Department, Computer Science. Mera kaam — aap ko DSA se LLM tak le jaana, aur rasta khol ke dikhana.

HOST (V.O.)
Dr. Sana believes the next decade of CS belongs to students who can think — not just code. Her advice?

CUT TO:

INT. BLOCK A — ENGINEERING LAB — MIDDAY

PROF. IMRAN SHAUKAT (late-40s, navy V-neck, PAF ring on left hand) sits at a lab bench. An oscilloscope glows green behind him. He speaks deliberately, like a man who has been teaching this for two decades.

PROF. IMRAN SHAUKAT
Main Imran Shaukat. PAF se tha, phir Air University mein aaya. Aaj Electrical Engineering padhata hoon. Circuit ka logic aur zindagi ka logic — dono same hain.

HOST (V.O.)
Prof. Shaukat spent a decade in PAF engineering squadrons before academia. He brings that discipline into every first-year lab.

CUT TO:

INT. LECTURE HALL — BLOCK D — AFTERNOON

MS. HIRA KAMRAN (late-20s, olive wrap dress, smartwatch, low bun) sits on the edge of a lecture-hall front desk. Legs crossed. Whiteboard with a management diagram behind her. Energetic. Modern.

MS. HIRA KAMRAN
Main Hira Kamran, Management Sciences mein lecturer hoon. Mera role simple hai — har first-year student ko ek mentor milta hai, aur main un mein se ek hoon.

MUSIC STEADY — bed holds at full rhythm.

HOST (V.O.)
Three departments. Three philosophies. One promise — your future won't be abstract here.

CUT TO:

INT. CENTRAL LIBRARY — POD — CONTINUOUS

Slider slowly pushes in on Dr. Sana as she lands her pivot line.

DR. SANA REHMAN
(leaning forward)
AI ab buzzword nahi raha. Yeh aap ke time ka electricity hai. Hum aap ko us ke andar se Sikhate hain.

CUT TO:

INT. BLOCK A — LAB — CONTINUOUS

Same slider push-in on Prof. Shaukat.

PROF. IMRAN SHAUKAT
(calm, deliberate)

Beta, failure lab mein hota hai — exam hall mein nahi.
Yahan tu try kar, kharab kar, phir seekh.

CUT TO:

INT. LECTURE HALL — BLOCK D — CONTINUOUS

Same slider push-in on Ms. Hira. She leans forward, energetic, direct to lens.

MS. HIRA KAMRAN
(smiling, emphatic)
College aana sirf degree lena nahi hai. Yeh aap ki pehli professional identity ban-ne ki jagah hai. Hum saath chalenge.

MUSIC PEAKS — full beat with melodic hook on top. Percussive edit points tighten.

RAPID MONTAGE — TRIPTYCH FINALE

Whip-pan transitions. Six rapid cuts, one per beat. Best bites from all three faculty. Each cut a single soundbite.

DR. SANA REHMAN
Yahan aap theory + code, saath likhte ho.

PROF. IMRAN SHAUKAT
Discipline — woh PAF se aati hai.

MS. HIRA KAMRAN
Aur hum mentor hain, siraf teacher nahi.

DR. SANA REHMAN
Future yahan banta hai.

PROF. IMRAN SHAUKAT
Rasta saaf hai.

MS. HIRA KAMRAN
Aap ko bulawa hai.

HOST (V.O.)
Sir, una kaun hain? Yeh hain. Aur yeh aap ka intezar kar rahe hain.

MUSIC STING — final percussive hit.

END CARD — GRAPHIC

Navy background. Air University Karachi logo top. Amber accent rule. "MEET YOUR FUTURE MENTORS — ADMISSIONS OPEN" middle. URL + QR code bottom. Cross-fades into an 8-second B-roll loop of faculty close-ups for IG auto-repeat.

FADE OUT.

FADE OUT. THE END.

7. Music & Sound Design Notes

- Primary bed: royalty-free corporate-lofi track, ~100 BPM, percussive edit points every 2 beats. Source: Pixabay Music or Artlist.
- Percussive hits on title card (Shot 2.2) and end card (Shot 2.15) — clean snare + low-synth hit.
- Music peak during triptych finale (Shot 2.13–2.14): full beat + melodic hook, then abrupt sting at end card.
- Tail (1:15–1:30): B-roll loop segment with music tail-out, designed for IG auto-repeat.
- SFX: subtle room tone per location (library hum, lab equipment buzz, lecture-hall air-con drone).
- VO recording: Host VO recorded separately in treated booth. Faculty dialogue recorded live with lavalier mics + boom backup. Final mix -14 LUFS for IG/TikTok, -12 LUFS for YouTube master.
- Lower-third name slates: animated 0.5-second reveal, hold 2 seconds, 0.3-second exit. Use amber accent rule consistent with brand.

8. Production Notes

- **Director:** Student Media Cell Director (assign senior batch)
- **Producer:** AU Karachi Media & Admissions Office (faculty mentor: 1)
- **Director of Photography:** 1 student cinematographer with FX30 + interview experience
- **Sound Recordist:** 1 student boom op with 3-channel lavalier kit (critical — 3 mics)
- **Gaffer:** 1 student assistant for softbox + reflector + rim lights
- **Production Designer:** 1 student stylist for wardrobe continuity + lower-third design
- **Cast Coordinator:** 1 student PA for faculty scheduling + on-set hospitality
- **Total Crew Size:** 6 students + 1 faculty mentor
- **Shoot Days:** 1 primary shoot day (Friday, 09:30–15:00) — captures all 3 faculty + library + lab + lecture hall
- **Backup Day:** 1 reserve half-day for faculty availability / weather
- **Faculty Briefing:** Send scripts + questions to faculty 48 hours in advance; allow improvised phrasing
- **Insurance:** University student media insurance covers on-campus equipment only
- **Permits:** Chief Librarian, Engineering Department, Management Sciences HoD, Block D coordinator consent (verbal + email confirmation)
- **Data Wrangling:** Daily backup to 2× SSDs (master + mirror); separate folder per faculty
- **Post-Production:** DaVinci Resolve (free) for edit + grade; Adobe Audition for VO + mix; vertical export via CapCut or Premiere
- **Delivery Format:** 1× 4K UHD MP4 H.264 25p master; 1× 1080p 9:16 MP4 for IG Reels/TikTok; 1× 1080p 16:9 MP4 for YouTube
- **Captioning:** English SRT burned-in for IG (Roman Urdu dialogue kept as-is); optional Urdu SRT
- **Distribution:** Instagram Reels (primary), TikTok, YouTube Shorts, AU Karachi website academics page, paid Meta Ads targeting F.Sc. leavers in Sindh

- **Follow-up Strategy:** This is Episode 01 — plan Episodes 02 and 03 with faculty from Aviation Management, Sciences, and Humanities in subsequent weeks
