Tone: Music-driven, energetic, rhythmic montage with VO narration
Language: Roman Urdu + English mix (VO narration) ; minimal dialogue
Deliverable: 1× master MP4 (H.264, 4K UHD), 1× 9:16 vertical cut for Reels/TikTok
Aspect Ratio: 9:16 (primary) / 16:9 (secondary)
Frame Rate: 25 fps (PAL)
Music: High-energy electronic indie-pop bed, 120 BPM, strong beat-drop at 0:08 and 0:48
CTA: Apna Future Sajao — Apply Now at au.edu.pk / Karachi Campus

2. Cast & Talent

VO NARRATOR (off-screen)

Role: Single off-screen voice. Bilingual, Gen-Z friendly.

Description: Young, energetic VO. Could be a senior student or junior faculty voice. Heard throughout, never seen.

Wardrobe: —

STUDENT EXTRAS — GROUP A (Cafeteria Crew)

Role: 3 background students in cafeteria scene. No dialogue.

Description: Mixed-gender group of seniors laughing over chai and notes. Diverse wardrobe.

Wardrobe: Mix of kameez + jeans, hoodie + chinos, AU merch.

STUDENT EXTRAS — GROUP B (Library Study Squad)

Role: 4 background students in library scene. No dialogue.

Description: Study group around a table — laptops, highlighters, one shared textbook.

Wardrobe: Smart casual. Library-appropriate. Quiet, focused energy.

STUDENT EXTRAS — GROUP C (Sports Court Players)

Role: 4 background students on basketball court. No dialogue.

Description: Two-on-two casual pickup game. Sweat, smiles, sneakers.

Wardrobe: Sports kit — shorts, jerseys, sneakers, sweatbands.

STUDENT EXTRA — D (Late-Night Coder)

Role: Single solo student in late-night lab scene. No dialogue.

Description: Tired but focused senior, hunched over a workstation. Coffee cup. Headphones.

Wardrobe: Hoodie, jeans, sneakers, headphones, coffee mug.

3. Locations & Set Notes

INT. STUDENT CAFETERIA

Description: Indoor canteen, ~30 seats, chai counter, snack racks. Edison-bulb practicals. Window-side seating.

Shooting Window: 12:30–13:30 (peak lunch energy)

Permissions: Cafeteria manager verbal OK + extras release forms.

INT. CENTRAL LIBRARY — GROUP STUDY AREA

Description: Open group-study table near library entrance. 4-6 seats. Laptops + books + highlighters. Daylight from east windows.

Shooting Window: 10:00–11:00 (post-opening, mid-morning focus)

Permissions: Chief Librarian written permission + extras release forms.

EXT. SPORTS COURT — BACK LAWN

Description: Basketball half-court + paved walkway. PAF aero squadron banner in background. Golden-hour light.

Shooting Window: 16:00–16:45 (golden hour, post-class play)

Permissions: Sports Office verbal OK + player release forms.

INT. CS LAB — LATE NIGHT

Description: Computer science lab, rows of workstations. Single senior student working late. Cool fluorescent + monitor glow.

Shooting Window: 21:00–22:00 (after hours, with permission)

Permissions: CS Department + night security written permission for after-hours access.

EXT. CAMPUS WALKWAY — GOLDEN HOUR

Description: Main paved walkway between blocks. Wide, open. Backlit golden-hour light. Banner / signage visible.

Shooting Window: 16:30–17:00 (peak golden hour)

Permissions: Standard campus access.

4. Props, Wardrobe & Equipment

Wardrobe & Styling

- Mixed student wardrobe — kameez + jeans, hoodie + chinos, AU merch (3-4 variations)
- Sports kit for basketball players (jerseys + shorts + sneakers)
- Hoodie + headphones for late-night coder (Solo Extra D)
- Coffee mug for late-night coder (AU branded if possible)
- Sweatbands and water bottles for sports scene

Hand Props & Set Dressing

- Steel teapot + 4 white chai cups (cafeteria scene)
- Snack plates — samosa, biscuits, biscotti (cafeteria scene)
- 2 laptops + 1 textbook + 3 highlighters (library scene)
- Basketball — worn Spalding TF-250 (sports court)
- Water bottle + towel courtside (sports scene)
- Coffee mug + headphones + open IDE on screen (late-night scene)
- Notebooks + pens in tote bags (walkway extras)

Camera & Grip

- Primary: Sony FX30 APS-C cinema camera (4K 25p)
- Secondary: iPhone 15 Pro for 9:16 vertical POV shots (Cinematic mode)
- Lens A: Sigma 16mm f/2.8 DC DN (wide establishing + tracking)
- Lens B: Sigma 30mm f/1.4 DC DN (close-ups + intimate moments)
- Lens C: 50mm f/1.8 (low-light late-night lab insert)
- Gimbal: DJI RS3 Mini for tracking shots
- Tripod: Manfrotto 504X for locked-off statics

- Handheld rig: Smallrig cage for fast-paced cafeteria + sports inserts
- Variable ND filter for exterior golden-hour control

Audio & Lighting

- Shotgun mic: Rode NTG5 on boom for ambient + room tone per location
- Zoom H5 recorder for backup ambience track
- Aputure 100X bi-color with softbox for cafeteria close-up fill
- Aputure MC panel lights (RGB) for late-night lab monitor-side accent
- 5-in-1 reflector (gold/silver) for golden-hour fill on sports court
- Existing Edison practicals in cafeteria (kept on for warmth)
- Cool gels (CTB) on key light for late-night lab fluorescent match

5. Detailed Shot List

All shots 4K UHD 3840×2160, 16:9 frame, color graded to warm institutional palette (navy + amber). Total runtime target shown in specs.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
3.1	0:00–0:04 (4s)	EXT. Campus Walkway — Golden Hour	Locked-off wide, tripod	16mm f/2.8	Backlit golden hour	Music IN — ambient bed builds; distant chatter + birds	Locked wide of the main walkway between blocks. Golden-hour light streaming from camera-right. 2-3 students cross frame in silhouette. Title card burns in: CAMPUS KA BEAT — LIFE AT AU KARACHI. Holds 2 sec.
3.2	0:04–0:08 (4s)	INT. Cafeteria — Lunch Hour	Handheld tracking, fast (Group A table)	16mm f/2.8	Edison practicals + soft key	Music BEAT DROP; cafeteria buzz	Handheld push toward Group A at the window-side table. Chai steaming, samosa in foreground. Someone laughs. Energy is high. Cuts on beat at 0:08.
3.3	0:08–0:11 (3s)	INT. Library — Group Study	Slider slow push-in	30mm f/1.4	East window daylight + bounce	Music steady; library ambient hum	Slow push-in on Group B at the library table. Laptops open, highlighters moving, one student whispers a question. Quiet focus. Lens focuses on shared textbook center-frame.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
3.4	0:11–0:13 (2s)	INT. Library — Insert	Tight insert, static	30mm f/1.4	Same as 3.3	Music beat; page-turn SFX	Insert close-up: highlighter marks a key line in the textbook. Color: amber/yellow. Sharp snap of the cap on the marker. Cut on beat.
3.5	0:13–0:16 (3s)	EXT. Sports Court — Golden Hour	Handheld tracking, low angle	16mm f/2.8	Backlit golden hour	Music peak; ball bounce SFX	Low-angle tracking of a pickup basketball play — Group C running, two-on-two. Ball arcs through the hoop in slow-mo. Sneakers squeak on the pavement. Cut on the ball going through.
3.6	0:16–0:18 (2s)	EXT. Sports Court — Insert	Tight insert, static	50mm f/1.8	Same as 3.5	Music beat; sneaker squeak	Insert: sneakers on the pavement, low and tight. A player pivots. Dust kicks up. Cut on beat.
3.7	0:18–0:22 (4s)	INT. CS Lab — Late Night	Handheld slow push-in	30mm f/1.4	Cool fluorescent + monitor glow	Music holds; keyboard clicks + distant hum	Slow push-in on Solo Extra D at the workstation. Hoodie up, headphones on, code reflected in glasses. Coffee mug beside keyboard. Tired but focused.
3.8	0:22–0:25 (3s)	INT. CS Lab — Insert	Tight insert, static	50mm f/1.8	Monitor glow only	Music beat; keyboard SFX	Insert: monitor screen showing IDE with green code reflecting in coffee surface in foreground. Symbolic. Cut on beat.
3.9	0:25–0:32 (7s)	Montage — Fast cuts (avg 1s)	Handheld + tracking, varied	Mixed (16mm + 30mm)	Mixed (4 locations)	Music intensifies; percussive edit points	Rapid montage of 7 cuts — one per beat: cafeteria laugh, library page-turn, sports ball-swish, lab keystroke, walkway silhouette, cafeteria chai pour, library whisper. Builds pace and energy toward mid-video climax.
3.10	0:32–0:40 (8s)	Mixed — VO Bridge Sequence	Static + slider, varied	16mm + 30mm	Mixed	VO narration; music bed steady	Slower, contemplative 8 seconds — 4 cuts at 2s each. Each location gets one slower poetic shot. VO delivers the pivot line about campus life shaping identity. Library → Lab → Court → Cafeteria, in that order.

Shot #	Time	INT/EXT Location	Camera / Move	Lens	Lighting	Audio Cue	Action Description
3.11	0:40–0:48 (8s)	Montage — Climax Build	Fast cuts + whip-pans	Mixed	Mixed	Music builds to climax; percussive tight	Climax montage — 8 cuts at 1s each. Increasing rhythm. All four locations cycle faster. Whip-pan transitions between locations. Camera movement intensifies. Builds toward the 0:48 beat-drop.
3.12	0:48–0:52 (4s)	EXT. Campus Walkway — Sunset	Locked-off wide, tripod	16mm f/2.8	Late golden hour, warm	MUSIC BEAT DROP at 0:48; VO climax line	Locked wide of the main walkway again — but warmer light now, peak golden hour. Same composition as Shot 3.1. 4 students walk toward camera, silhouetted against the setting sun. They walk past camera. Frame holds.
3.13	0:52–0:55 (3s)	EXT. Walkway — Group Insert	Tight tracking, handheld	30mm f/1.4	Warm golden hour	Music tail; VO final line	Tight tracking of the students' shoulders + bags + walking feet as they pass camera. Energy shifts from movement to purpose. Last shot of life footage before end-card.
3.14	0:55–1:00 (5s)	End Card — Graphic	Static graphic card	—	—	Music outro; VO CTA final	End-card animation: AU Karachi logo top, "APNA FUTURE SAJAO — ADMISSIONS OPEN" middle, au.edu.pk URL + QR code bottom. Navy + amber. Subtle pulse. Designed to loop back to Shot 3.1 for IG auto-repeat.

6. Full Screenplay

FADE IN:

MUSIC IN: high-energy electronic indie-pop bed, 120 BPM. Synth pad builds. Percussive edit points every beat.

EXT. CAMPUS WALKWAY — GOLDEN HOUR

Locked wide of the main walkway between blocks. Golden-hour light streams from camera-right. Two students walk across the frame in silhouette. Title burns in over their silhouettes: CAMPUS KA BEAT — LIFE AT AU KARACHI.

VO NARRATOR (V.O.)
Ek campus ka beat kya hota hai? Yeh nahi ke classes 9 se 3 chalti hain…

BEAT DROP at 0:04 — full rhythm kicks in.

INT. STUDENT CAFETERIA — LUNCH HOUR

Handheld push toward GROUP A at the window-side table. Chai steaming, samosa in foreground. Someone laughs out loud at a joke we don't hear. The whole table leans in. Energy is high.

VO NARRATOR (V.O.)
Yeh beat hai. Chai, chaos, aur woh laugh jo sirf 1:30 wali table pe aata hai.

CUT TO:

INT. CENTRAL LIBRARY — GROUP STUDY AREA — MORNING

Slow slider push-in on GROUP B at the library table. Laptops open. Highlighters moving. One student whispers a question to another. Quiet focus. Shared textbook in the center of the frame.

VO NARRATOR (V.O.)
Aur yeh bhi beat hai. Focus, finding, aur woh highlighter ka color jo aap ki final exams ka roadmap ban jaata hai.

CUT TO:

EXT. SPORTS COURT — BACK LAWN — GOLDEN HOUR

Low-angle tracking of GROUP C in a pickup basketball game — two-on-two. Ball arcs through the hoop in slow-mo. Sneakers squeak on the pavement. PAF aero squadron banner drifts in the breeze in the background.

VO NARRATOR (V.O.)
Aur jab shaam ho jaati hai, campus ka beat ek aur rang mein dhal jaata hai — thora sport, thora dost, thora shor.

CUT TO:

INT. CS LAB — LATE NIGHT

Slow push-in on SOLO EXTRA D at a workstation. Hoodie up, headphones on, code reflected in his glasses. Coffee mug beside the keyboard. Tired but focused. The kind of focus that finals week produces.

VO NARRATOR (V.O.)
Aur phir raat hoti hai. Yeh bhi beat hai. Late-night code, last-bug energy, aur woh chai jo 2 AM pe magically taste aana shuru kar deti hai.

MUSIC INTENSIFIES — percussive edit points tighten.

RAPID MONTAGE — CLIMAX BUILD

Whip-pan transitions. Seven rapid cuts, one per beat. Cafeteria laugh → library page-turn → sports ball-swish → lab keystroke → walkway silhouette → cafeteria chai pour → library whisper. Pace builds toward 0:48.

VO NARRATOR (V.O.)
Campus ka beat — yeh sirf ek soundtrack nahi. Yeh woh rhythm hai jis mein aap ki 4 years guzar jaati hain.

MUSIC BUILDS to climax.

SLOW BRIDGE — VO PIVOT

4 slower cuts at 2 seconds each. Library → Lab → Court → Cafeteria. Each location gets one poetic shot. Light, mood, energy slower than the climax montage. VO delivers the pivot line.

VO NARRATOR (V.O.)
Aur jab aap akhir ka final ka paper de ke nikalte ho — aap ko samajh aata hai ke beat toh abhi shuru hua tha.

MUSIC HOLDS — tension builds toward the final beat drop.

CLIMAX MONTAGE — 8 CUTS

8 cuts at 1 second each. All four locations cycle faster. Whip-pan transitions. Camera movement intensifies. The rhythm pushes toward 0:48.

VO NARRATOR (V.O.)
Yeh hai Air University Karachi. Chai se code tak. Library se court tak. Subah ki class se raat ki submission tak.

BEAT DROP at 0:48 — full climax, melodic hook peaks.

EXT. CAMPUS WALKWAY — SUNSET

Locked wide of the main walkway — same composition as Shot 3.1, but warmer light, peak golden hour. Four students walk toward the camera, silhouetted against the setting sun. They walk past the lens. Frame holds as they exit.

VO NARRATOR (V.O.)
Beat toh yeh hai. Ab aap ka turn. Apna future sajao.

MUSIC TAIL — beat drops out, melodic hook resolves.

END CARD — GRAPHIC

Navy background. Air University Karachi logo top. Amber accent rule. "APNA FUTURE SAJAO — ADMISSIONS OPEN" center. URL + QR code bottom. Subtle pulse on the amber rule. Designed to loop back to Shot 3.1 for IG auto-repeat.

FADE OUT.

FADE OUT. THE END.

7. Music & Sound Design Notes

- Primary bed: royalty-free high-energy electronic indie-pop, 120 BPM, strong beat-drop at 0:08 and 0:48. Source: Pixabay Music or Artlist.
- Beat-drop at 0:08: clean kick + low-synth hit to land cafeteria energy shift.
- Beat-drop at 0:48: full climax, melodic hook peaks, percussive edit points tighten during build.
- Music tail (0:52–1:00): beat drops out, melodic hook resolves into end-card.
- SFX design: cafeteria clatter + clinking cups, library page turns + keyboard clicks, basketball bounce + sneaker squeaks, late-night keystrokes + distant hum. Loopable per location.
- VO recording: single bilingual narrator recorded in treated booth. Aim for -14 LUFS final mix for IG/TikTok, -12 LUFS for YouTube master. Stereo for YouTube, mono-compatible for vertical cut.
- Edit rhythm: cuts locked to music beat at 0:08, 0:16, 0:32, 0:48 — these are the four anchor points. All other cuts align to sub-beats.

8. Production Notes

- **Director:** Student Media Cell Director (assign senior batch)
- **Producer:** AU Karachi Media & Admissions Office (faculty mentor: 1)
- **Director of Photography:** 1 student cinematographer with FX30 + gimbal experience
- **Sound Recordist:** 1 student boom op with Rode NTG5 + Zoom H5
- **Gaffer / Grip:** 1 student assistant for gimbal, slider, reflector
- **Production Designer:** 1 student stylist — extras wardrobe continuity + prop setup
- **Extras Coordinator:** 1 student PA — recruit 11 extras (3 cafeteria + 4 library + 4 sports) with release forms
- **VO Recordist:** 1 student engineer — VO recording session in treated booth
- **Total Crew Size:** 7 students + 1 faculty mentor
- **Shoot Days:** 1 primary shoot day (Friday, 10:00–17:00) covers library, cafeteria, sports court, walkway; 1 after-hours session (21:00–22:00) for late-night lab
- **Backup Day:** 1 reserve day for weather / extras availability
- **Insurance:** University student media insurance covers on-campus equipment only
- **Permits:** Chief Librarian, CS Department (after-hours), Cafeteria Manager, Sports Office consent
- **Data Wrangling:** Daily backup to 2× SSDs (master + mirror); label per location
- **Post-Production:** DaVinci Resolve (free) for edit + grade; Adobe Audition for VO + mix; vertical export via CapCut or Premiere
- **Delivery Format:** 1× 4K UHD MP4 H.264 25p master; 1× 1080p 9:16 MP4 for IG Reels/TikTok; 1× 1080p 16:9 MP4 for YouTube
- **Captioning:** English SRT burned-in for IG (Roman Urdu VO kept as-is); optional Urdu SRT

- **Distribution:** Instagram Reels (primary), TikTok, YouTube Shorts, AU Karachi website hero, paid Meta Ads targeting F.Sc. leavers in Sindh
- **Asset Reuse:** Loop design: Shot 3.1 → Shot 3.14 → Shot 3.1 creates a seamless IG auto-repeat experience. Test on real IG Reel preview before final export.
